Please close this window if anatomy offends you.

This is a item that i purchased (and cherish) that i bought from, get this, a sex store. It's called "Create-a-cock". Now i'm not gonna get into details about what you do with it. but let's say that you create.....a cock that may or may not resemble a cock that you know and love.

and let me tell you, i know and love my cock. but this thing wants me to stay hard in the mold for 6-10 minutes while it hardens. What the hell is that? I've never stayed hard that long in my life. do i look like a porn star? (you can not see me, but no. i do not. Unless ron jeremy is a pornstar. because i look like him. i mean...like ugly and hairy. but i'm not good at sex. I'm so lonely)

anyway. if you love your penis or know someone who does. You should totally take this off my hands. I'm not beyond bribery. but not money. i want barter. amuse me, internet.

I leave you with this picture of hot boobs and the kit.

please don't email about the hot boobs. this is not an ad about hot boobs.
